

## GOLF DAY – SON GUAL GOLF – MAY 7, 2025

On **Wednesday, May 7th**, the INC is hosting its annual Golf Day for Congress delegates who wish to enjoy a round of golf with fellow industry professionals. This exciting sporting event, generously sponsored by **Valley Pride, USA**, will take place at the **prestigious Son Gual Mallorca Golf Club**, nestled in the scenic Finca Son Gual in Palma de Mallorca.

Son Gual is an exclusive, family-owned golf club set across 156 hectares of breathtaking Mediterranean landscape. **Known as Mallorca's no. 1 golfing destination**, the club offers a warm welcome to guests while ensuring they adhere to its high standards of etiquette, which help preserve the exceptional quality of the course year-round. The 18-hole course features a championship layout that is renowned for its challenge and beauty, making it a true gem for golf enthusiasts.

The INC has secured a shotgun start at 7:00 am, with players set to enjoy 18 holes of golf. The typical game duration is approximately 4 hours. Teams must consist of at least four players; however, individuals or pairs are welcome to register, and we will make arrangements to pair them with other players (subject to availability). Participants will need to provide proof of their handicap at the time of booking. If no handicap is provided, a default handicap of 18 will be assigned.
